August 27th - 31th 2018
Ages 11 – 13 yrs
Cost: \$295.00

WindReach Farm

Complex Injury Rehab and WindReach Farm is excited to offer a specialized summer day camp for 11-13 year olds. Myndcraft is a 5 day camp that will focus on providing participants with the necessary tools and strategies to help overcome the daily stresses and social pressures that come with attending school, keeping healthy relationships with friends and family, and just growing up!

Camp team includes registered Occupational Therapists, a Social Worker, a Therapeutic Yoga instructor and Recreation Therapists.

To ensure that all campers are able to actively engage in and enjoy the camp, campers who require a lower than 1:5 staff-to-participant ratio and/or with the following needs must be accompanied by a support person or caregiver provided and paid for by the family or outside organization:

- Medically Fragile – g tubes, trachea tubes, requiring suction, etc.
- Physically unable to feed, transfer, perform personal care.
- Behavioural/Aggressive – Physically or verbally.

To help us better understand your camper’s particular needs, we ask that you complete the following form. After a registration form is complete, we will be in contact to follow – up with any additional questions and to confirm your place in camp.

Camper Information:

Full Name:

Birth Date:

Gender:

Height/Weight:

Health Card Number:

Family Doctor Name and Phone Number:

Medication:

Allergies:

Reaction and Treatment:

Other Medical Concerns (e.g. seizures, pain):

Has the camper been to WindReach Farm before?
