

A Message from Ross Ste-Croix

Executive Director, WindReach Farm

I am thrilled to rejoin the team as the Executive Director of WindReach Farm. Having first served in the role from 2018-2022, I developed a love for the place and a connection to the people, the programs, and, of course, the animals, and I couldn't help coming back.

35 Years ... we couldn't do it without you! Your gifts, not just monetary but also of your time, allow us to keep our doors open and help us continue to provide programs and services to those who need us the most.

In 2025, we will be focused on growing our core programs and enhancing our volunteer recruitment and engagement efforts, all while continuing to deliver the programming that enriches the lives of everyone who comes up the driveway.

If you have never experienced the Farm's magic, please plan to make 2025 the year you visit for the first time. **We'd love to show you around!**

The Importance of Corporate Support

Corporate support is vital to WindReach, helping sustain its programs and services. Your sponsorship upholds Founder Sandy Mitchell's vision—creating an inclusive space where individuals of all abilities can thrive. Born with cerebral palsy, Sandy believed determination, hope, and positivity make anything possible. Your support keeps his legacy alive.
